Unfortunately Time, Jet Lag and a very full timetable has prevented me reporting on the past months; activities so will catch up next month.

We can report that after four weeks trekking in Peru then competing in the Sydney Oxfam Trailwalk on her return President Natalie along with daughter Danielle ,Dr. Kevin Lee and Scott Smart raised more than \$1500 in the Walk against Poverty, More details next newsletter.

With our club championships coming up. President Natalie I wish you all luck in your training, and encourage everyone to enter. Don't think your dog isn't good enough-you will benefit as much from the process as from the win! Until Next time,

PETS AS THERAPY VISITS

The Sarah Claydon visit was another wonderful hour on Tuesday August 30. Rosie and Mikki, Tracey and Koda, Liz and Rose, Rick and Bindy and new participants, Annie and Axel spent the hour in the Nursing Unit, interacting with residents and staff and showing off a few tricks. The more these visits occur the more familiar the residents become with the dogs and with the handlers and it is great to see the brightening of expressions and recognition when the team walk into the room. It is a valuable time for the residents of Sarah Claydon and a valuable time for the dog owners and their dogs.

Member's Corner

With the wet weather experienced over the last month, it has been hard to make a decision if to hold dog training or not. Wherever possible the Club tries to put an announcement over the local radio stations early Sunday morning ,but quite often a decision cannot be made until starting time at the Showground. We trust that this has not affected people attending.

A Warm Welcome for August ,we trust they enjoy their time at the club and encourage everyone who feels their dog is capable to enter the Club Annual Championships It is a great learning curve for the handler and the dog. Also any Club Member who could volunteer their time to help out as officials on the day please see Diane or Rosie at the Clubhouse.
