

### **Club Rules:**

- Members must wear suitable footwear, such as trainers – scuffs and thongs are not permitted
- Dogs must be kept on the leash at all times, unless they are in a training class with the direct supervision of an instructor, or under control in the off leash area at the rear of the Showground.
- The only acceptable training collars are flat collars, DCCs, haltis and training harnesses (not car harnesses). Milton Ulladulla Dog Training Club Instructors are not trained to give advice about the use of other specialised training equipment. Consequently it will be recommended to members needing more assistance that they speak with their vet and/or a professional dog trainer.
- When joining the Club, proof of immune status must be provided. This is either a vaccination certificate (C3, C4, or C5) or titre test certificate issued by your veterinarian. Puppies will need to have had their first vaccination and can be enrolled in the Club's Baby Puppy School from 8 weeks of age at their owner's discretion.
- Children may train their dog provided they are supervised by their parent, carer or guardian.
- Any use of the club equipment for dogs must be done in conjunction with the class instructor
- Members are responsible for cleaning up if their dog fouls the ground
- Members must not use harsh actions or verbals with their dogs. This includes hitting your dog or strong misuse of the dogs lead.
- Bitches in season are not permitted on the training ground
- Members must bring a water bowl for their own dog to use. Do not share water bowls with other dogs.
- MUDTC is a community-based club, focused on providing a fair, safe and inclusive environment for all members and their dogs. Communication between club members and instructors must always be respectful and courteous and must not be offensive, discriminatory, intimidating, aggressive, bullying, hateful, racist, or otherwise inappropriate.
- In regard to above, if a club member wishes to raise a formal matter, that is anything which requires the specific attention of the Club Executive or consideration by the MUDTC Committee, please only make contact either by email to the Club's address [mudtc@outlook.com](mailto:mudtc@outlook.com) or mail PO Box 274 Milton 2538, or by speaking with one of the Club's Committee members and asking them to raise the matter on your behalf. Do not make representations through a member's personal email or telephone.

- The club reserves the right to decide that a dog must be muzzled. Please see the Club's Aggressive Dog Protocols located on our web site. If you do not have access to view on line, please request a hard copy from the Secretary.
- The club has a Contagious Diseases Policy which is located on our web site. If you do not have access to view on line, please request a hard copy from the Secretary.
- The Club has an Extreme Weather Policy which is located on our web site. If you do not have access to view on line, please request a hard copy from the Secretary.
