Milton Ulladulla Dog Training Club Inc

Milton Ulladulla Dog Training Club was formed in 1979 by a group of volunteers with a keen interest in helping others train their dogs. The Club's principles remain the same today as all our committee and instructors are volunteers who have a lot of knowledge which they enjoy sharing with you. The Club committee meets regularly, and any member is welcome to attend. The Club is not affiliated to Dogs NSW, but we do have members who compete in both Obedience and Rally trials. Training your dog at MUDTC

Obedience Training sessions are held on Sundays at 8.30 - 9.10am for Puppy; Quick Start and Class 1 and at 9.20 – 10am for Classes 2 & 3 from February to November each year at the rear of Milton Showground. The first Sunday in December is usually our end of year get together event before we break over summer. *(Note Puppy Class start time 9.20am during Winter months)*

Please arrive in time to be ready to start your class. It is disruptive to Instructors, and other handlers and their dogs, when members arrive late to class. If training is cancelled because of bad weather, it will be posted on Facebook and our Web Page and an email sent to members.

What you need to bring on training days

- Your dog's training collar and lead and your name badge
- Poo Bags, and a water bowl for your dog. Do not share water bowls.
- Half size sandwich bag full of soft tasty treats for your dog, cut into small pieces i.e. 4 pieces would make up a 5 cent piece.
- Clicker
- Other training gear such as dumbbell, toys, tuggy etc

It is a great idea to have all your training gear in the bag supplied so it's always ready to pick up and bring along to training.

Milton Ulladulla Dog Training Club Inc offers members the opportunity to socialise and train their dogs to become great companion animals. The Club promotes responsible dog ownership and offers training in obedience and agility. Instruction in other fun events such as flyball, trieball, flag races is offered when instructors are available and there is member interest. All dogs are welcome, large, small, mixed breed, pure bred, and they all have a great time on Sunday mornings at training classes.

Our aim is to make training your dog a fun experience for both you and your dog. Your dog will be spending focused time with their favourite person – you. You will learn about dogs, their behaviour and what makes them do what they do. Your dog wins by spending time with you at training. Training takes place in a class with several other members and their dogs, and you will

Handlers must always clean up after their dogs – make sure you always carry a plastic bag at the Showground and when taking your dog for a walk.

receive advice and assistance from your Instructor, who is a Club volunteer. It is not practical for Instructors to provide extensive one to one support for an individual class member during class time and so your instructor may suggest that you seek additional professional dog training advice from outside our Club.

Please respect signage on some dog collars and leads stating 'no food' 'no dogs' 'training' etc. The Club has a supply of Yellow Ribbons, available at the Clubhouse, which members can use to tie on their dog's lead to alert other members their dog needs space.

At our Club, while we focus on positive reinforcement and rewards during training sessions, we encourage an overall balanced approach to dog training. Please speak to one of the instructors if you require assistance with improving control of your dog. We help you to have fun with your dog and help make them a great companion to have around your home.

Each instructor will explain the methods of dog training used at our Club.

Please seek your own vet advice if any health/diet issues are of concern to you. We recommend that you provide necessary preventative care for your dog, for example appropriate vaccination, worming and tick control. Your dog must be registered with your Local Council and microchipped.
